ABOUT DPES

DPCOE has adopted a blended education pedagogy to nurture the students with Indian culture and advanced technology. Dhole Patil Education Society (DPES) was founded by young and dynamic, philanthropist, Shri. Sagar U. Dhole Patil in the year 2008 with a clear objective of providing quality technical education in tune with international standards. The product of his vision, Dhole Patil College of Engineering (DPCOE), Dhole Patil College of Physiotherapy (DPCOP), Dhole Patil Junior College of Arts, Commerce and Science (DPCACS) and Dhole Patil School for Excellence (DPSE) has captured all the forefronts in education including academics, sports and social activities, within a short span to meet industry needs.

DPCOE offers Bachelor of Engineering, degree in affiliation with Savitribai Phule Pune University, Pune under six major disciplines namely Automobile Engineering, Civil Engineering, Computer Engineering, Electronics and Telecommunication Engineering, Mechanical Engineering, and Information Technology. DPCOE has also added Master of Business Administration (MBA) in the Post Graduate Program under Savitribai Phule Pune University, Pune.
